Under the California Educational Code and Board of Education policy, teachers and support staff may take students on field trips to enrich and complement their educational experience. Such trips, which may include overnight, out-of-state, and/or out-of country travel, are always under the direct supervision of at least one teacher and all precautions are taken to ensure each student's welfare.
- I understand that this field trip is optional and a voluntary activity. Attendance by my child is **not** required
- I understand that all students going on this trip will be responsible in conduct to the bus driver, teacher, chaperones and, if applicable, adult sponsors, at all times. I understand that ALL CHAPERONES WILL BE 21 YEARS OF AGE OR OLDER.
- I understand that students are required to go and return from this event on the transportation provided, unless prior arrangements have been made and agreed to **in writing** by the school site administrator.
- I understand that all field trips will begin and end at the site of origin unless I have made prior arrangements to pick up my child or have my child dropped off at an alternative location. I understand that I must inform the school of these arrangements in writing on or before the day of the field trip.
- I hereby acknowledge that I have been advised whether or not the activities involved in this field trip, excursion or event are considered by the district to be of "high risk" to the participants.
- The charter does **not** provide students with field trip accident insurance. Parents who do not have medical insurance that covers their children are strongly advised to consider alternative student accident insurance that is available..
